Thanks for choosing to support Donka!

June 2024

RE: DONKA TRIVIA NIGHT SPONSORSHIP OPPORTUNITY

Donka is holding its first ever **TRIVIA NIGHT** fundraiser on **Saturday, September 7, 2024**, at the American Legion Hall in Carol Stream. We are excited to offer a sponsorship opportunity to you, through which you can **help your friends, neighbors, coworkers, and loved ones with disabilities gain computer skills for work, school, and everyday life.**

TRIVIA NIGHT will benefit Donka's mission to offer no-cost assistive technology computer training and job placement services for people with disabilities, including our programs for veterans and seniors. Through training, our students learn to operate a computer on their own using assistive technology (AT) - adaptive equipment and software. By gaining computer skills, our students can increase their self-sufficiency and achieve life goals we all take for granted.

Added benefits of your sponsorship of **TRIVIA NIGHT** include:

- **Increased Awareness** - Up to 200 **TRIVIA NIGHT** attendees as well as engaged online audiences will be aware of your support and alignment with such a great cause
- **Event Marketing** – We will share your brochures, flyers, or any other marketing materials at the event
- **Spotlight Messaging** – Sponsors will receive extra mentions and advertising during the evening

A form with details about **TRIVIA NIGHT** sponsorship levels and benefits is attached. We hope that you will choose to partner with Donka for this special event that highlights the *abilities* of people with disabilities.

Be well!

P.S. Thank you to our early sponsor, the American Legion and VFW! We hope you will join them in supporting Donka's mission and work in our community.

Jim Benzin, one of Donka's newest board members and a veteran himself, has a particular interest in serving veterans. He says of doing fundraising and charity work for Donka:

"My work to help veterans goes back 50 years to when I was teaching. I would have students collect items to send to Hines hospital. As long as I can remember, I have donated to different veteran's organizations like USO, American Legion Care Center, VETSO, VFW, etc.

Now, I am currently serving as a Donka board member to help veterans with disabilities achieve more independence through Donka services. Why? Because I can. I do not want the veterans or the community to forget the sacrifices these men, women, and families have given this country."
